## PROFESSIONAL OFFICE - COMMERCIAL

**AMERICAN PIONEER SAVINGS BANK**

**PORT ST. LUCIE**

**Date Of Completion:** November 1986

**Contact:** Doug Gilbert

**Total Square Footage:** 7,845

### SCOPE AND RESPONSIBILITIES:

During the early years of development in Port St. Lucie, American Pioneer Savings Bank hired Richard K. Davis Construction as the **General Contractor** for one of the city's first banks. The building's unique architectural detail, coupled with its prominent location at the intersection of Tiffany Avenue and U.S. Highway 1 combine to make this an architecturally and historically significant building.
