INSTITUTIONAL - WORSHIP

KINGS BAPTIST CHURCH

VERO BEACH

Date Of Completion: July 2003

Contact: Dr. Russell Vickery, Senior Pastor

Total Square Footage: 11,583

SCOPE AND RESPONSIBILITIES:

This church turned to the Richard K. Davis Construction Corporation **Design/Build Service** to help redesign the project utilizing the economics of **Butler[®] Building Structural Systems** and an **Architectural Standing Seam Metal Roof**. The end result was this striking worship center, which includes a sanctuary with seating in the round for 600 and an elevated baptistry behind the alter. We handled all site preparation and improvements as well as building construction for this beautiful addition to the 58th Street corridor.

DESIGN PARTNERS:

Gary Nicholson, A.I.A.
Architect

Mosby And Associates, Inc.
Civil Engineer
