"Questions were answered and problems were solved as if this was the only job they were working on."

SCOPE AND RESPONSIBILITIES:

White Company turned to Richard K. Davis Construction's **General Contracting Service** when they began developing office space in St. Lucie West. We are proud to have been the contractor of choice to develop this stunning professional office space that meets the upscale image in the community of St. Lucie West. The modified Mediterranean design includes rich architectural details like arched windows, balconies, and a traditional Spanish barrel tile roof.
